

TCR PROMOTERS - Communication 01.201919th March 2019

Dear Promoters,

Kindly take note of the following information:

- 2019 TCR cars:

Please find attached a chart with the TCR cars.

- 2019 TCR Technical Regulation:

The final version of the TCR Technical Regulations for 2019 following the last TCR Technical Working Group meeting will be issued by **26th March 2019**.

The changes are only wording and clarifications.

- 2019 TCR Technical Form:

Please find attached the 2019 order form to be sent to: form@tcr-series.com.

Promoters be informed that all teams must hold the original TCR technical form, printed and stamped, per each car at every TCR Competition; TCR cars without their own TCR Technical form, will not be eligible to compete in any Competitions.

WSC shall provide your scrutineering team with the digital version of all certification documents for TCR cars Scrutineering.

- 2019 TCR Technical Delegate request form:

Please find attached the 2019 order form to request a TCR Technical/ Data Engineer at any of your 2019 Competitions.

This form shall be filled and returned to nunzia.corvino@tcr-series.com.

Procedures:

- ✓ Promoter shall request Technical Assistance min 30 days prior each Event
- ✓ WSC shall issue an invoice of 700 euro per working day.
- ✓ Promoter shall arrange and pay: flight tickets, hotel room, transfers and meals for the TCR Technical Delegate during the entire stay.
- ✓ Any special requests may be subject to different charges
- ✓ The name of the Technical Delegate shall be provided to Promoter min 20 days prior the Competition date.

- 2019 TCR BOP:

Promoters be informed that final certified TCR cars list, official 2019 BOP and 2019 BOP Compensation Weight Formula shall be published by TCR Technical Bulletin within **26th March 2019**.

Any Promoters must use the 2018 last BOP (TCR Technicla Bulletin n. 13) for any Competitions held before this date.

- 2019 TCR website TECHNICAL AREA:

Please be informed that a new reserved area on the TCR Hub tcr-series.com is open:

“TECHNICAL AREA”

Teams & Stakeholders need to register and get a personal password, valid only for 1 season.

The area includes:

- TCR Technical Regs and Bulletins
- General info: list of all documents required per each TCR car, contact details, any TCR forms and Use Manual.
- Extension TCR cars certificates (VO, VF, ER etc..) which are available to download by Team upon registrations **free of charge**.
- CW Formula: WSC will publish the CW Formula per each Event of each TCR Series- Championship and class

Promoters are kindly requested to make results available in .cvs format to:

timing@tcr-series.com and make sure the correct model and name of each car is (for example Honda FK7 or Cupra DSG) appear on the results.

Each Promoter MUST publish the same list in their Competition package of info to Competitors. For any issue contact: Massimo.garbin@tcr-series.com

Please find attached a detailed manual.

The website area is on line from March 15th, 2019.

Please make sure your teams are well informed.

Any new docs loaded will produce a mail notification to any registered users.

- 2019 TCR Website PROMOTER AREA:

Please be informed that a new reserved area on the TCR Hub tcr-series.com is open:

“PROMOTER AREA”. Promoters will receive a personal access password within **Thursday 21st March**.

The password is valid only for 1 season.

The area includes:

- TCR National Logo and Guideline
- Digital version of the Handbook
- TCR Forms and Templates
- Digital version for Paddock Materials, podium and passes
- Compensation Weight Formula and news for your Competitors
- Contacts for any extra requirement

Please find attached a detailed manual.

The website area is on line from March 21st, 2019.

This area is ONLY reserved to Promoters.

Any new docs loaded will produce a mail notification to any registered users.

We remain at your entire disposal for any further info you may need.

Thank you for your cooperation.

Best Regards

Nunzia Corvino
